

Yahoo!

This is what we learned about Contour Lines

Yahoo!

They're everywhere you look – you see them all the time.

Yahoo!

Contour Lines good lines, come on!

(They're really quite amazing)

Contour Lines good lines, come on!

(They're good for 3-D gazing)

Contour lines are good for readin' maps

For 3-dimension, depth and contrast

They can be zig zag, - curvy, dotted, or spiral

They can be straight, cross hatch, or di-ag-onal

Contour Lines – Contour Lines

Contour lines - make it easy to see.

We use contour lines - to draw in 3-D

Contour Lines – Contour Lines

We're gonna have a good time with Contour Lines

Give it a try – we like it fine

We're gonna have a good time with Contour Lines

Give it a try – we like it fine

Computer animation

Video Games – whatever you're creatin'

Everyone around the world

Come on!

Contour Lines, we see in 3-D

Contour Lines are drawn by me

Contour Lines good lines, come on!
(I feel like celebrating)

Contour Lines – Contour Lines
Contour lines make outlines for all to see.
We use contour lines with symmetry.
Contour Lines – Contour Lines

Come on and celebrate, good lines to know
(Contour Lines, good lines, come on!)
'Cause all these lines will help us go with the flow
(Contour Lines, good lines, come on)
